

Uniform Package & Pricing

School uniforms are an important part of the identity and culture of our school. Students in Pre-Nursery to Grade 10 are required to wear the school uniform, while our Grade 11 and 12 students are permitted to wear clothing of their own choice. The SSIS uniform consists of polo shirts with an embroidered logo and navy bottoms. There is also a separate PE uniform for G3-G10 students. Items can be purchased as part of a package or individually. Shoes should be purchased separately and must be black in color. Payment for uniforms must be made directly to our uniform partner, Totema. Totema accepts cash, AliPay, WeChat and Chinese credit cards or bank cards.
