

Uniform Package & Pricing

School uniforms are an important part of the identity and culture of our school. Students in Early Learning Centre (ELC) to Grade 10 are required to wear the school uniform, while our Grade 11 and 12 students are permitted to wear clothing of their own choice. The SSIS uniform consists of polo shirts with an embroidered logo and navy bottoms. There is also a separate PE uniform for G1-G10 students.

Items can be purchased as part of a package or individually (It is suggested to purchase the **Starter Set** to start with). Shoes should be purchased separately and must be **black** in color. Payment for uniforms must be made directly to our uniform partner, Halfrin. Halfrin accepts cash, AliPay, WeChat and Chinese credit cards or bank cards.
